Enclosed is a "Uniform Handling Trash Exemption" application for the period beginning October 1, 2008 through June 30, 2009. In order to qualify for an exemption, a property owner can submit three sets of four consecutive weekly disposal receipts from a County-owned landfill or transfer station along with the completed application to the Solid Waste Management Division (SWMD).

Below are brief explanations of the available alternatives for property owners who do not qualify for an exemption from Uniform Handling requirements.

1. You may subscribe to weekly, curbside collection of trash and recyclables through Mountain Disposal. This service costs approximately \$19.00 per month and is billed quarterly, in advance. If you choose this alternative, please contact Mountain Disposal at (909) 338-2417.
2. You may subscribe to Clean Mountain Service, which features convenient locations in Crestline, Grass Valley, Running Springs, and Lake Arrowhead where subscribers can drop off trash and recyclable materials. If you choose this alternative, please contact Mountain Disposal at (909) 338-2417. Clean Mountain Service costs approximately \$13.00 per month and is billed quarterly, in advance by Mountain Disposal. Enclosed you will find a map of the Clean Mountain Sites along the addresses and hours of operation.

In consideration of those who use their mountain properties infrequently, SWMD requires Mountain Disposal to offer a fee waiver to owners who can show proof of infrequent use via their monthly electricity bills. To qualify for this waiver, owners must submit electricity bills for the most recent 3-month period for the property to Mountain Disposal. Average daily energy usage at the property must be at or below 6 kilowatt-hours per day for each of the three months to qualify for the waiver. Once eligibility is confirmed, Mountain Disposal will apply a credit to the account for that quarter of trash service.

All Applicants: Beginning February 1, 2005, a non-refundable application fee of \$15 in the form of a check or money order (no cash) payable to San Bernardino County must be included with this application.

In addition to the fee and documentation required above, for exemptions to be issued to residents residing in the Valley Region (unincorporated areas of Upland, Chino, Fontana, San Bernardino, Muscoy, Mentone, Colton, Rialto, etc.) residents are required to pre-pay the disposal fee of \$85.14 in order to receive a pre-paid disposal card that will allow the resident to dispose of household trash at a County owned landfill or transfer station. For information on the landfill/transfer station nearest to your residence, call 1-800-722-8004. Refuse Removal requires that all waste, which contains Garbage produced or accumulated in or about a residence, shall be removed from the premises at least once every seven (7) days to an approved Solid Waste Facility. In addition, I understand that all exemptions are conditional and that County Code Enforcement Officers may inspect my property to ensure proper visual and sanitary storage of trash or, if applicable, to ensure that my property is vacant. I also understand that valid complaints from my neighbors regarding the storage of trash on my property or that my property is not vacant will result in the immediate loss of my exemption status. I certify under penalty of perjury that all waste from the premises will be properly handled and disposed of as required above. I understand that as a condition of the continuation of this exemption, my representative or I must re-apply prior to July 1, 2009. I understand that, should it be approved, the County, for good cause, may revoke the exemption.
